That's right – your eyes do not deceive you – this month readers of *Club* can grab a slice of red hot Paul Raymond TV (on Sky channel 911) for only £1! For full details check out pages 2-3, but meanwhile, here's a taster of the girls who could be gracing a living room near you this March!

## THE WIFE OF RILEY

I've been a big fan of your magazine ever since I was a spotty-faced student. These days I'm 28 and, having recently split up with my long-term girlfriend, decided it was about time I finally fulfilled a few long-term fantasies, one of which going with an older woman. Not exactly a MILF or anything, but someone who was a bit older than me and knew exactly what they were doing – and what they wanted!

Anyway, following a friend's advice I got myself on the internet, and soon started

chatting to a woman called Catherine. A very well preserved 35, with a 34D chest, and – luckily for me – a much older hubby who'd given her free license to play the field – or at least turned a blind eye to whatever she got up to.

Sitting in the café waiting to meet her that first time was actually quite nerve-wracking.

What if she had just been all talk and now she'd bottle out of it? Suddenly a curvy brunette walked up to my table and sat herself down opposite me.

"Alex?"

Clearly still nervy, I stammered back;

"Um, yes, hi. You must be Catherine, right?"

"No need to be nervous," she

laughed. "I don't bite."

I smiled and waited for her to add something like "Unless you want me to." In fact she just fixed me with a wicked look and then said, "But I do swallow."

***"I parted her lips with my thumbs and began to savour her..."***

I'd have got up to leave with her right then – but we had to wait five minutes for my stiffy to go down enough for me to stand up!

Getting back to mine, I guided her into the bedroom. As we started snogging I pushed her back against the wall of the

## SHEIL' DO FOR ME!

As an Aussie ex-pat (well, for a year, at any rate) can I say thank you for reminding me just what I'm missing back home with those pictures of Saffron and Kiki last month? I've been telling my mates here how hot Aussie women are compared to English girls (who seem to spend their whole time wrapped in far more clothes than is strictly necessary, even given the shitty climate!), and those girls last month really gave me the proof I needed to convince them. The only trouble is, it's got me feeling a bit homesick. Please God the summer'll be a good one here, otherwise I don't think I'll be able to stand it!

In the meantime, if you've got any more pics of these two – or any other Aussie girls, please make sure you put them in Club before I fly home in October. Cheers!

bedroom, so I could press my crotch against her and let her feel just how hard my cock was for her. I could also get a good feel of her boobs through her blouse.

"Do you just want to grope me? Or are you going to get me on that bed?" She asked, archly. Well, there was certainly no doubting that this woman knew exactly what she wanted – and she wanted it now!

I moved her away from the wall and towards the bed. She collapsed back onto it, with her skirt riding up as she lay there. I started tugging off my clothes

BETH

## FANCY PANTS!

*Beth's only gone and fallen for her own mivvy!*

**A**h Beth! What better way to give this month's issue the sort of stunning opening our readers have come to expect!

"Well, I'm very glad you think my opening's stunning! I must admit, I've had a few compliments on it over the years. In actual fact, I'm actually quite a fan of it myself."

Er, right, that wasn't actually the kind of opening we had in mind, but no matter! So you're a fan of your own fanny, eh?

"It all started with an article I read in a women's magazine about three five ago, which recommended that women should get a little mirror and check out what their pussy looks like. I know this might sound strange (and this was before I started modelling!) but I honestly didn't have a clue what I looked like down there!"

So you got a little mirror and had a look?

"Yes... to begin with! Before long I'd given up the little mirror and had my legs spread facing a full-length mirror, wanking like crazy! Now, whenever I see it, I can't resist playing with myself!"

We know how you feel! ♣

#### THUG-LIFE RAP IDIOT 'FESSES UP ON RECORD

When a person or persons unknown shot and seriously wounded a man named Chad Blue in Dublin, Georgia in 2006, Blue was unable to give cops the smallest clue as to the identity of his would-be killer. However, all this changed after Chad Blue happened to hear 25-year-old gangsta rapper by the name of Rico Todriquez Wright boasting in a rap on the CD *Hitting Licks for a Living*: "Chad Blue knows how I shoot!" and recognised his voice.

Wright has since been captured, tried, and was recently sentenced to a minimum of 20 years in a federal penitentiary. 10 years of which are believed to be for gross stupidity.

#### BIG TITS BACK-PAIN SWEDE SEES BENEFITS BOUNCED

The Swedish Social Insurance Agency recently stopped Jessica Andersson's disability payments for lingering back pain, which she has suffered since an accident at work in 2003. The agency's medical report ruled that Andersson's back pain would have subsided, enabling her to return to work, if she had taken the trouble to undergo breast-reduction surgery on her massive Nordic bostles.

#### DUMB AS A BAG OF HAMMERS

Thirty-one-year-old thickie Muoi Van Nguyen was recently collared by police in Spokane Valley, Washington, charged with breaking a window with a hammer at a state liquor store and grabbing a bottle of cheap wine. It turns out that this was the culprit's second attempt to get the bottle. On his first attempt he had failed to break the windowpane with a rock. He decided a hammer would do him the job and land him his \$9 bottle of vino, went to a nearby store, where he bought a nice claw hammer job for just \$11.

"Shorts off, too."

"Assertive!" I joked.

"Well, I expect you to do as you're told."

"So long as next you're going to tell me to peel off your knickers, open your legs, and bury

"You took the words right out of my mouth."

"Don't worry, I'll replace them with something else soon enough..." I

said, now growing in confidence. Dirty talk like this was new to me, but I was starting to enjoy trying to keep up with her.

In a few moments I was lapping at a warm, shaven, moistening

## FEELING PEACHY

Every month I like to look through the latest Club with my missus, and we usually end up shagging each other senseless after we've read the letters, but she's still holding out on any backdoor fun, insisting that most women don't like anal sex and that men who like it are just closet gays! Now can you think of any arguments I can make to her that might change her mind, and finally allow me some access to her gorgeous bum?

Greg, Manchester.

*Hmm, well, if it's any help, we can tell her that we've never met a single girl who, once they'd tried it, didn't find that anal sex was one of the most intense sexual experiences they'd ever enjoyed. Honest! – Ed.*

cunt. I ran my tongue the full length of her, then parted her lips with my thumbs and began to savour her. Pushing my tongue inside her, I tasted her wet cunt and began to eat her out. She moaned and ran her fingers through my

hair. Pulling my tongue out, I then moved it up and onto her clit.

Fastening my lips around it, I began to gently suck on it, all

the while flicking it with the tip of my tongue too. Her moans got louder still when I pushed a couple of fingers inside her. Moving them around the inner walls of her cunt, I gently when I found her G-spot. Having found it, I made it three fingers inside her so I could apply more pressure to it as I teased her clit. I made sure my fingers pressed against that magic spot as I finger-fucked her. She was soaking now, and breathing in the

## MORGAN MEETS THE EYE

I haven't bought *Club* (or any other top shelf, come to that) for a couple of years – ever since I got together with my current girlfriend, in fact – but when I caught sight of Morgan on the cover of February's issue, I quickly decided it was about time I took the plunge again... and am I glad I did! I know *Club* is more traditionally associated with fairer, blonde-haired girls, but personally I don't think you can improve much on a babe like Morgan. With that picture on page 49, I can just imagine she's holding her sweet little pussy open had lowering herself down onto my throbbing tool – I can't even begin tell you how much pleasure I've had from that page alone!

Of course now I've got a girlfriend I'm having to be a bit surreptitious with my copy of the mag, but I think I'm going to have to check it out again before long – especially if you can promise you'll be featuring Morgan again in the not too distant future!

*Anthony, Southend.*

*Don't worry, mate – we'll be chasing Morgan up again just as soon as we can. – Ed.*

## IN THIS MONTH...

### LITERATURE:

#### 27 YEARS AGO: The Jupiter Effect!

1982: "Popular astronomers" John Gribbin and Stephen Plagemann sit back complacently as hundreds of thousands of people all over the world run around shrieking in terror, having believed the two science author's ghastly predictions in their best-selling book of bollocks *The Jupiter Effect*.

Their book had proclaimed that, since all the planets in our solar system would come into alignment on a particular day (actually a true fact) the result of their stellar grouping would be catastrophic to our planet, resulting in earthquakes, tidal waves, nose-bleeds and what-not and just about every kind of natural horror imaginable.

But guess what. Nothing happens.

Two years later bookstore windows will fill up with Gribbin and Plagemann's brass-necked follow-up, *The Jupiter Effect Revisited*, in which they posit that even though nothing happened they had been right, because, you see, the events they predicted would occur in spring 1982 had happened two years "early", and they pointed to the 1980 eruption of Mount St Helen's as "evidence" of this. Despite the fact the second book flopped, Gribbin's science books still continue to be written and sold. And, to be fair, he does say of the *Jupiter Effect* theory in his 1999 tome *The Little Book of Science*: "I'm sorry I ever had anything to do with it."

### SPACE EXPLORATION

#### 40 YEARS AGO:

1969: And it's up, up and away, in the nose-cone of a Saturn V out of Kennedy Space Center, Florida, for Apollo 9 astronauts Jim McDivitt, Dave Scott, and their goggle-eyed, ginger-haired mascot "Rusty" Schweickart. The mission introduces the world to the weird but wonderful Lunar Module (designed – appearance-wise – by Arthur C Clarke) and the shiny new NASA spacesuits.

Though the world is led to believe that the module is the focus of the mission, the truth is that NASA wants to see if the new spacesuits work or not, because "Not" would be very bad. To this end, the mission never ventures further than low Earth orbit, and "Rusty" is instructed to exit the Command Module and do a little dance in space that Dave

Scott can film to see if his little red-haired colleague will implode. Or mutate.

He doesn't, and the new suits earn the official NASA seal of approval. Which is just as well, since the only fall-back, other than the crap old suits (attached to the spacecraft by an umbilical) was the jeans, T-shirts and "oxygen pills" space walk method popularized by Steve Zodiac and his saucy girlfriend Venus in Gerry and Sylvia Anderson's groundbreaking but technologically suspect TV puppet thriller series *Fireball XL5*.

### TECHNOLOGICAL MILESTONES

#### 36 YEARS AGO:

1973: Father of the mobile phone, Chicago-born electrical engineer Dr Martin Cooper, makes the first ever cellular phone call from a handset... standing in the middle of the sidewalk with baffled and apparently already faintly pissed-off passers-by staring at him chattering into a phone with no wires. His call is to his telecom competitors at Bell Labs, basically telling them they can go eat shit because he's only gone and invented the fucking thing first.

Cooper, now a mere 80 years young and still kicking, waits until later in the year to file the patent on his invention, and subsequently tells reporters that he got the idea for the cell phone from watching Captain Kirk and crew flip open their communicators on *Star Trek*.

Cooper is, incidentally, a member of Mensa, the society for people who can arrange five matches into squares and solve anagrams, and thus think they are brighter and more deserving of a decent life than the rest of us.

# SHE'S FIT AS FUCK!

*Who needs jogging and weights when you can work-out with Gina?*

**PHOTOS: A. HAYEK**

**T**hat's an interesting look you've got going on there, Gina – a sporty little two piece, with fishnet tights thrown in!

"What, are you saying you don't like it or something!?"

Oh no – quite the opposite! It's just that we've never seen anything quite like it before – it looks like you can't quite make up your mind whether you want to go for a run or stay in and fuck someone's brains out!

"Oh, I think I know which one out of those two I'd go for! I used to be into running and all that keep fit stuff, but since I got together with my current boyfriend I've found a much better way of staying in shape!"

We've got a pretty good idea what you mean, but why don't you elaborate a bit?

"Well I met him when I was out clubbing a couple of months ago, and the attraction was pretty obvious right from the off! He's a fantastic lover, and thinks nothing of eating me out for ages before we actually screw, so I'll take that every time! Funnily enough, he only told me the other day that he recognised me from Club, and still has to pinch himself every now and again to make sure he's not dreaming!"

Mmm, Gina – newly crowned queen of the readers' girlfriends! ♣

**Film superheroes' dating advice for ordinary blokes with no powers or rocket-propelled armoured outfits at all**

## TONY STARK a.k.a. IRON MAN

Hi there, doll. Oh, sorry – you're a bloke. Whoops. Wait 'till I adjust my stereoscopic interior helmet viewing eye-holes and get a proper look at you. Ah, there you are, nicely in focus. And a fine-looking specimen you are.

As you probably know, my real name's Tony Stark, squillionaire weapons manufacturer and brilliant scientist, and inside this ludicrous gold and crimson titanium suit that encases my body beats a heart that's supplemented by more power than you could screw out of Sizewell B.

Again, as I'm sure you're aware, I had a reputation for being something of a favourite with the ladies before I made the dramatic leap from industrial magnate to super hero magnet, but these days any girl who takes me on had better be ready to deal with the fact that old Iron Balls here comes packed with the very latest and most powerful accessories. Accessories that can kill a little, or thrill a little. It all depends how much juice I pump into the given device. And in addition to the heavy-duty stuff, I have several more delicate gadgets that extend from my fingers and can stimulate a woman in almost every way imaginable.

But it's not just all the whirring phalluses I

can crank out of my arse and groin when I take a woman to my big fancy titanium bed. Being Iron Man I can impress her in far more subtle ways than the goods under the hood, so to speak. First off, there's my paint job. Pure dead sexy. Women respond to pretty titanium armoured power suits the way that they respond to cars. It can be a Lada, but as long as it's pink, purple, gold or scarlet, man how she wants a ride...

Oh, and the other thing about being Iron Man that I love? Well... when you get bored with a woman you just discard them, right? This is where I score over the common bloke any day. If I chuck a woman, we're talking about a throwing-someone distance of approximately 14 miles. And she ain't gonna walk back and yap at me after that.

Just don't get me started about fisting. I've reluctantly obliged several women in that particular activity while wearing my armour and let's just say that so far there have been very few positive outcomes.

emerged from between her fleshy jugs.

"Do you ever watch porn?" she asked after a couple of minutes.

"Yeah, of course," I replied.

"Good, then I hope you're going to shoot your load all over my face and tits like they do in the films."

Holy shit! Here was an offer I really couldn't refuse. I increased the tempo of my bucking as she continued to lick the tip of my cock. I could feel my balls starting to tense. Sensing me getting closer, she really started wanking me with her tits in time with my thrusts.

"I'm gonna... gonna...come..." I stammered. I leant back and unleashed a incredible torrent of hot sperm over her face. Within seconds her lips were covered in my hot cream, as was her chin, and her neck. I looked down at her and she looked back at

me, covered in my jizz, saying nothing.

For a moment I panicked. Had I gone too far? Had she been joking about the facial? Then I saw her tongue ease its way out of her mouth and lick a trickle of my jizz from her lips. "Yum!"

"You liked it?"

"I loved it. Now I hope you've got enough left for my pussy..."

I certainly did – and have done about a dozen times since our first meeting. OK, so sometimes I miss my old girlfriend, but I'm not looking to get coupled-up again just yet!

musky scent of her juices had got my cock rock hard. I was aching to fuck her, but first I wanted to make her come.

My lips, tongue, and fingers kept working in unison until she was panting and gasping. Her fingers gripped my hair more tightly, her pelvis pushed up to meet my lips, and now she began bucking and moaning. I kept my lips clamped in place on her clit, and my fingers pressed against her G-Spot. I felt her juices run down my fingers as her body began to spasm. "I'm coming! I'm fucking coming!" she wailed.

After a few moments she pushed my head from between her legs. Looking up at her, I saw her eyes sparkling, her hair all over the place, and her bra still on. As if reading my mind, she reached behind her back and undid it. A lovely pair of big suckable, fuckable tits was instantly

unleashed.

"I want to feel you between these," she smiled, pushing her boobs together invitingly.

I was hardly going to refuse. Straddling her, I put my cock between her massive boobs as she clamped them round my stiff shaft. My pre-cum oozed out and lubed me up to tit-fuck her. She darted her tongue out and began to flick it across the tip of my cock every time it

## TOP REAR

As far as I'm concerned, it's always an extra special issue of *Club* when you feature Suzie, so naturally I was delighted to see the wonderful spread you had of her in the current issue (38.02). I couldn't agree more with your comments about her – she's got an absolutely unbelievable arse, definitely worth mentioning alongside the likes of Sandy and Stella! Perhaps now that Stella's not shooting enough to appear every month you might think of replacing her with Suzie? You'd definitely make this reader a very happy man!

Keep up the good work,  
Ben, Newcastle.

This lush antipodean is over here for a year or so, so if you fancy a crack, keep 'em peeled...

PHOTOS: TANIA STEVENSON

**H**olli here's spending that obligatory year or two in Blighty that every Aussie of a certain age likes to get out of their system, swapping their life of sun and barbies for the overcrowded drizzle that we seem to specialise in. So how are you finding things so far?

"Aw, it's great over here in England – there are so many things to see and do here. Just the other week a few of us went to Stonehenge, which was amazing, and this summer we're going up to Scotland!"

Hmm, and have you had a chance to sample any pommie males while you've been over here?

"Oh sure – I've had quite a few to keep me busy. It's incredible how considerate British guys are in the sack. With most Aussie guys it's all over before you know it, but you Brits really know how to make a girl feel special. I've had more foreplay here than I had my whole life before coming over!"

Hmm, well if you're feeling homesick at all, give us a call... ♣

## A NEW LEASE OF WIFE

A man was suffering from severe headaches for years with no relief. After trying all the usual cures he was finally referred to a headache specialist by his family doctor.

The specialist asked him what his symptoms were and he replied, "I get these blinding headaches kind of like a knife across my scalp and..." He was interrupted.

"And a heavy throbbing right behind the left ear?"

"Yes! Exactly! How did you know?"

"Well I am the world's greatest headache specialist, but I myself suffered from that same type of headache for many years. It is caused by a tension in the scalp muscles. This is how I cured it: Every day I would give my wife oral sex. When she came she would squeeze her legs together with all her strength and the pressure would relieve the tension in my head, and now it's completely pain-free! Try that every day

"It's from Arnold in the Iron maiden."

for two weeks and come back and let me know how you're getting on."

Two weeks went by and the man came back.

"Well, how do you feel?" the doctor asked.

"Doc, I'm a new man! I feel great! I haven't had a headache since I started this treatment! I can't thank

you enough. And, by the way... nice house!"

Jason,  
Loughton.

## MORE BANGS FOR YOUR BUCK!

A couple were having financial problems until finally they couldn't stand it any more. The husband said to his wife that is was necessary for her to make some money through prostitution to get by.

So the husband drove her to the place where she had to do the job and left her, and in the evening he picked her up again.

"So, how much have you earned today?" the

husband asked.

"Well", the woman replied, totting up her cash, "I've made one hundred pounds and fifty pence."

"That's strange", the husband responded, "who gave you the fifty pence?"

"All of them, of course!"

Paul, Utoxeter.

## MUTTON JEFF

An old man was at the doctor's, trying to find out if there was any way he could determine whether his wife was hard of hearing.

The doctor replied, "If she won't come in for a hearing test, you could try talking to her when you get home. If you get no response, then move a little closer and repeat what you've said. If she doesn't hear you at first, you can gauge just how deaf she is by how close you get, until she does hear."

Armed with this information, he sets off home. Opening the front door he notices his wife in the kitchen down the passageway, with her back to the door. Closing the door quietly, he says to his wife, "Hi honey, I'm home, what's for dinner?"

He gets no response, so he moves a little closer and says again, "Hi honey, I'm home, what's for dinner?" Still no response, so he enters the kitchen and says, "Hi honey, I'm home, what's for dinner?"

Again she doesn't respond, so he walks up to her, touches her arm, and says, "Hi honey, I'm home, what's for dinner?"

With that she reels around and shouts at him, "For the fourth fucking time, lamb chops, you deaf bastard!"

Dean, Cirencester. ♣

## CHOO CHOO MAMMA

A man is sitting on a train across from a busty blonde wearing a tiny mini skirt. Despite his efforts, he is unable to stop staring at the top of the woman's thighs. To his delight, he realises she's not wearing any underwear.

The blonde realises he is staring and enquires, "Are you

looking at my pussy?"

"Yes, I'm sorry," replies the man and promises to avert his eyes.

"It's quite alright," replies the woman, "It's very talented – watch this, I'll make it blow a kiss to you." Sure enough the pussy blows him a kiss.

The man, who is getting really interested, enquires what else the wonder pussy can do. "I can also

make it wink," says the woman.

The man stares in amazement as the pussy winks at him.

"Come and sit next to me," suggests the woman, patting the seat. The man moves over and is asked, "Would you like to stick a couple of fingers in?"

Stunned, the man replies, "Fuck me! Can it whistle as well?"

Will, Derby.

NATASHA ANDIE

# NICE AND NAUGHTY

Natasha's gone and found herself a mucky-minded chum!

PHOTOS: NICOLAS SAGE

**W**e've become big fans of Natasha Nice since we first ran her in *Club* a year or so ago and realised she had a sneaky look of Michelle Ryan about her. Anyway, there we were watching *Doctor Who* this Easter when the thought suddenly struck us that we'd really like to see Miss Nice getting up to some lesbo filth. A couple of phone calls later and here we are – Natasha and her new best friend Andie getting it on for the enjoyment of our discerning readership!

It's funny how some girls take to lesbiage like a duck to water, isn't it? Natasha was all over Andie's juicy clam like she'd been doing it all her life! In fact we had the sneaky suspicion she'd done this sort of thing before. Still, you can't blame her, can you? ♣

# COCKTAIL TEMPTRESS!

*Fancy a sip of Cindy's mojito?*

PHOTOS: EXPOSUREZONE

"There's something fascinating about all the different colours and tastes that can go into a cocktail," chirps the succulent Cindy. "Did you know I once had a cocktail named after me?"

No, but judging by that look on your face I know we'd love to find out why!

"Well, last summer there was a group of us working behind a bar down in Ibiza and after one too many we all ended up getting a little carried away! A colleague had taken his pants off and dared me to do the same, but of course being the exhibitionist I am I had to do one better and ended up on the bar top giving everyone a striptease!"

Hmm, so Cindy, if we showed you our cock tails as well, does that mean we'd get a private dance too? ♣

# SCRUFF JUSTICE!

Fancy watching something other than *Relocation*, *Relocation Revisited* tonight? Then try one of these...

RATINGS: ★ ONE STAR ★★ YES, TWO STARS ★★★ IT'S... THREE STARS! ★★★★★ GO ON, GUESS ★★★★★ YEP, YOU GOT IT!

## Jacks POV 12 (Digital Playground)

One thing you learn in life is that sometimes it pays to look at things from someone else's point of view, and that's especially true if it's the point of view of one of the jammy cocksman who lensed this feature! Big titted Shyla Stylez is first up, giving her stud an eager slurp before ramming his johnson straight up her jacksie for some serious backdoor banging. A sloppy double-handed wank finishes her fella off, and it's on to pert Madison Ivy, who sucks and fucks herself a free facial with no nonsense. Hugely (and naturally?) norked Alexis Silver follows, and while the girl's got "Tit Wank" written all over her, her stud only makes the most of her ample facilities for a few seconds before popping his load. Then cute Kiki Vidis picks up the swollen pink baton and runs with it, before Teagan brings up the rear with as blistering an anal POV scene as you're ever likely to see. ★★★

## Clothes Freaks (Smash Pictures)

Sounds like the sort of title you might be able to slip past the old lady, but thankfully the apparel theme doesn't get in the way of what we're all really here for – the shagging. Opening the innings is foxy Franchesca Valentina, who starts off in a PVC dress before switching to a stripy stockinged combo mid-fuck. Still, she looks good riding a cock, whatever she's wearing. Carmen Minor's next, trying on a few clothes before realising that what fits her best is a stiff dick! She gets some anal along the way, before winding up with a cracking creampie. Three more good scenes follow, featuring more costume changes than a Kylie concert. ★★★

## Club Girls Lesbian (Viv Thomas)

Well it'd be a bit rude not to give this one a review, don't you think? Looking at the cast list, we're not sure every single girl has been in *Club*, but a good few certainly have, like Nella, Eve, Michaela and Ginger, so we're not quibbling. Girls having it off with each other is the order of the day, without any unnecessary distractions like music and plot, so you can hear every groan and slurp as they get stuck into each other's juicy little pussies. The overall effect is pretty much like being in the room with them, which can't be a bad thing, can it?! And at two and a half hours long, there should be more than enough action to keep you coming back for more. ★★★

# Stella

**...where to stick it!**

Stella...where to

PHOTOS: 21ST SEXTURY

**H**il! Yes, I'm back for a flying visit! I hope you haven't all forgotten about me already! Don't worry, I'm not planning on hanging up my waxing strips and retiring just yet, and I hope I'll still be able to appear in *Club* whenever I get the chance!

What do you think of my lovely coat? I was given this a few months ago by a boyfriend, who I think wants to keep me all to himself. He's a really cute guy, and has a fantastic job, and keeps showering me with all sorts of gifts, but that isn't the best thing about him – he just loves licking my pussy! Whenever we're together he insists on going down on me for ages, prising my labia open with his fingers and burying his tongue right inside me until I've come three or four times, and only then will he fuck me! I still see him now and again, and he's always the same – he must have drunk about a gallon of my pussy juices by now, and he still hasn't had enough! Then again, I'm not a one man kind of girl, and there's plenty to go round! ♣

**M**aking sure that every single girl you feature's an out-and-out hottie can be a bit of a job sometimes, so it's no wonder that a lot of magazines out there have let their standards drop a tad by the time they've got to the back of an issue. Not us, though! When you've got a reputation to maintain, you can't afford to stick some old munter in the back – and to prove the point this month, we've got the delicious *Ennie* here in to bring up the rear – and what a rear it is, too! Usually we'll get a girl to peel off her stockings at some stage, but there was something about the way those frilly stocking-tops set off that fantastic arse that we just couldn't resist, so in the end we asked her to keep them on, and she was happy enough to oblige.

"I love wearing stockings!" she gushed, when we told her what we'd like her to wear for this shoot. "Sometimes I just like to dress up in them so I can look at myself in the mirror – it gets me really horny!"

Well, if you put it like that, we can see what you mean! ♣

## WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

For a couple of years now I've been fascinated by the idea of getting into porn, and I thought this would be a great place to get started – I figured that if I could get into Club, there'd be nothing to stop me!

## WELL HERE YOU ARE IN CLUB, SO WE GUESS IT'S NEXT STOP THE WORLD. SO WHY THE DESIRE TO GET INTO THE BUSINESS?

Well I've enjoyed reading mags and watching pornos ever since I first discovered sex, and as time went on I came to realise that it was a real fantasy I wanted to live for myself. The idea of getting fucked and loads of other people getting off from watching me is just incredible – in fact just thinking about it now has got my pussy tingling!

## WELL, IF YOU FEEL LIKE GIVING IT A RUB, DON'T LET US STOP YOU!

Don't worry, I won't! The bigger the audience watching me perform the better, so a couple of guys in the room wouldn't stop me!

## ANY MESSAGE FOR CLUB READERS?

Yes – remember the face and the name – not to mention the pussy! – because if I've got anything to do with it I'll be appearing in some grumble flicks before long! ♣

## DP DIPPY!

I've been mates with Freddie for years and when we were at school we did everything together. We hadn't seen each other much since we went to different Universities, so when he invited me down to his place in Devon for a weekend I jumped at the chance.

I'd met his girlfriend Debs once before and Freddie had certainly done pretty well for himself: she was a stunner with long dark hair and a figure in the Marilyn Monroe mode, all curves in the right places.

Anyway, we all went out for a meal and a good few bottles of wine on the Friday night but things started to get really interesting on returning to the house.

The conversation turned to sex and both of them seemed interested in why I didn't have a regular girlfriend. I was sitting on the sofa with Debs, and as I was a bit pissed I said that I'd never found anyone as gorgeous as her so preferred to play the field. Debs gave me a hug for my compliment just as Freddie came back

into the room with more drinks.

"So you fancy my girlfriend do you?" he said with a smile.

Embarrassed, I tried to apologise but Debs just giggled and hugged me tighter, kissing me gently on the cheek.

I looked over at Freddie, but he was just grinning at us.

Suddenly, Debs pulled my head around and kissed me full on the lips, snaking her tongue into my mouth and pushing her big boobs against me at the same time.

I didn't know how to react at first, but the scent of her perfume and the feel of her tongue in my mouth made my dick swell uncontrollably. I hadn't had a woman in nearly two months and here was a sexy babe coming on to me.

Coming up for air, I checked on Freddie's reaction again and was amazed to see that he was rubbing his crotch as he watched.

"Wanna fuck her?" he asked, quietly.

Without waiting for my answer Debs stroked

her hand up my thigh and gripped the growing bulge in my trousers, making it pretty obvious that this had all been arranged between them.

Never one to look a gift horse in the mouth, I placed my hand on Debbie's thigh and slipped my hand up her skirt until it reached her panties. I tickled her slit through the material of her knickers as she reached behind her and

unzipped her top, letting it fall to the floor and revealing a beautiful pair of tits clamped tightly in a black lace bra. She pushed her chest towards me and I bent down so that I could run my tongue along the line of her cleavage while pressing harder on her clit with my fingers.

She moaned passionately and unclipped her bra, giving me free access to those fantastic boobs. I wasted no time and sucked one fat juicy nipple into my mouth as I got a finger inside her tight knickers and inserted it into her already wet hole. Debs moved her arse towards the edge of the sofa and spread her legs wide so I could sink my digit deeper into her slit. She also managed to undo my trousers and remove my throbbing cock from my pants, her skilful wanking making it extra-hard and ready for action.

Then she pushed me back on the sofa and took my meat in her mouth, slurping on my shaft like a real pro and making me yearn to stuff it inside her sodden snatch.

At this point Freddie came over to join us and began to squeeze his girlfriend's tits and grope her arse as she sucked

as he positioned himself so that he could bugger her at the same time as I screwed her fanny.

Debs stopped riding me for a second so that her boyfriend could stick it in her and I took the opportunity to grab her tits and suck on those lovely nipples again.

Debs let out a yelp as he penetrated her arse and her cunt clamped around my cock as he pushed it all the way up her back passage. Jeez, I could actually feel his dick through the walls of her pussy as he slid into her and so I too began to pump her in the same rhythm as my mate.

Fuck, it was awesome knowing that this horny slut had both our dicks up her at the same time and loved it!

Debs cried out again as her climax took over and she ground her arse and twat down hard against our two pistoning pricks. Both her holes were stretched to capacity and it was just a matter of which one of us was going to empty their balls up her first.

It turned out it was Freddie who grunted and gripped his babe's hips as he slammed into her and exploded his spunk deep up her arse.

***“I could actually feel his cock through the walls of her pussy as he slid into her...”***

my twitching cock.

Now, I've never shared a girl before, but watching him fiddle with the same girl who was sucking my dick made the scenario even more filthy and I gripped her head and shagged her mouth as Freddie took out his own prick and positioned himself behind his girlfriend.

“Let's both fuck her,” Freddie said and as if on cue Debs clambered on top of me and aimed the head of my manhood at the gaping opening to her pussy.

She sat on my cock and it sank up to the balls in her delicious soft and slippery love tunnel. The urge to come there and then was incredible, but I strained with every nerve to hold out, knowing that even better was to come.

I could see Freddie had his fingers down the crack of her arse, and when she bucked wildly on my cock I guessed he'd stuffed one or more straight into her bumhole. Deb's big tits were slapping my face as she rode me and behind her I could see Freddie smearing his big hard cock with saliva

Moments later I too had to come and jet after jet of sticky semen spurted from my dick into the squelching goo of her pussy.

We both pulled out of her and she flopped back on the sofa, Debs slumping between us gasping for breath as the intensity of the experience slowly faded.

Later that night Freddie and I unloaded one after another into her mouth and each fucked her arse, while the other watched, and by the end of the weekend my dick was well worn out and we were all totally knackered.

All in all, it was an incredible weekend, and I've got an open invitation to go down again whenever I can. I don't think I'll be waiting too long before I do!

**LUCKY STRIKE**

I've just got back to the UK after four months travelling round the far east, where I had quite a few adventures that would probably merit a letter to Club, but the greatest should never really have happened at all! Luckily for me, there was a strike at Bangkok airport, which meant I was stuck there for four days longer than I should have been, and it was during that time that I met the sexiest woman it's ever been my experience to screw!

I was staying in a pretty nice hotel not far from the airport, and luckily I'd heard about the trouble at the airport so I didn't check out (rooms were like gold-dust!) on the day of my

reminded me of Nicole Kidman. Naturally, I walked over and asked if there was anything I could do to help.

"Well, one of those would be an idea," she replied, with what turned out to be a Canadian accent, pointing to the beer in my hand.

"OK!" I said, and off we went to the bar. It turned out Helen, who was in Bangkok on business, couldn't find a room. The prospect of dossing down at the airport didn't seem to appeal to her (can't blame her there), so she'd decided to drown her sorrows.

We hit it off pretty well, and one beer quickly turned into two, then three, and finally a meal with a bottle of wine. I could see from the ring

found ourselves in the lift, heading up to my room on the fifth floor.

All pretence now gone, I turned Helen towards me and kissed her on the lips, her mouth opening as I pushed my tongue deep inside. Once we got into my room she pulled off my top and kissing my chest before dropping to her knees in front of my and unbuttoning my fly. My cock sprang out, and she slurped down on it like her life depended upon it, seemingly desperate to taste my spunk. Thanks to the booze, though, I was in no hurry to get things finished, and after a few minutes I stood her up and helped her out of her clothes.

Her body was fantastic – smallish tits, and a lovely fanny with a short fuzz of hair above the pinkest pussy lips I'd ever seen.

Leading her to the bed, I lay her down and gazed at the amazing sight before burying my face in her sweet pussy, lapping up the dewy juices that trickled from between her rosy petals.

"Have you got a condom?" she gasped, as I flicked her clit with the tip of my tongue. Well, I'd be a pretty sorry sort of traveller without any, and I fished one out of my bag and rolled it on.

I rubbed the

supposed flight. I'd more or less run out of cash, so I stayed at the hotel and hit the bar, where I could stick the tab on my bill and lob the whole thing on my credit card.

As I sat there, beer in hand, I heard a commotion in the reception and, heading out to take a look, saw a stunning woman in a business suit arguing with the receptionist. She clearly wasn't getting anywhere, and eventually gave up, turning away in disgust and standing there wondering what to do next. She was tall, with shoulder length blonde hair, and a face that

on her finger that she was married, but couldn't stop exploring in my mind the erotic potential of the situation. Helen, from the way she looked at me, was clearly feeling the same way, and after the second bottle of wine I said, "You could always stay in my room, if you like."

She looked a little flustered at first, fingering her ring and saying, "I really shouldn't...", but she didn't put up that much resistance before we both

tip of my rubbered up cock along the length of her slit before gently easing it inside her. Then I set about the most incredible fuck of my life.

Helen had a deliciously tight pussy, and she knew how to use it! Ripples of pleasure shot up and down my dick as she clenched her pussy muscles rhythmically, but I held out, desperate to make this a fuck to remember.

Her climax was clearly coming fast and strong, and I slammed into her as she writhed me, suddenly yelling and bucking frantically as a massive orgasm shot through her. Now it was time to go for it myself. It wasn't long before I reached the point of no return!

Pulling out of her sodden snatch, I rolled off the johnny and Helen finally got the gobful of spunk she'd clearly been craving. I pumped jet after jet of the stuff into her pretty mouth, but she didn't bat an eyelid as she gulped down the lot!

It was another two days before the airport was up and running again, most of which were spent fucking the incredible Helen. I tried to get her address out of her, but given her family situation she decided it would probably be best if we kept it as a one off thing. She's probably right, but it was certainly incredible while it lasted!

**It's the only place to find all of your bum banter and tales of backdoor fun – every single month!**

## KISS AND TEL

Normally, I never date guys from work because mixing business and pleasure can lead to all sorts of trouble, but Terry's really good looking and we get on so well that I decided to make an exception. You only live once, after all!

On our second date, I decided I wanted

I turned to face him and slipped my tongue into his mouth. He reciprocated and a tingle ran through my pussy as he ground his lips against mine, thrusting his tongue to the back of my throat.

As we kissed, Terry slid his hand over my shoulder and down to my tits. I was wearing a silky white blouse, which he

***“The feeling of my own finger working its way into my bum was delicious”***

to fuck him, and cooked him a meal at my flat. The wine and subdued lighting did the trick and as I poured him another glass of vino at the dining table Terry came round to my side and gently stroked my hair before bending down and kissing me on the cheek.

expertly unbuttoned before moving his hand inside and cupping one breast through my lacy bra. I arched my back as my nipples swelled and Terry pushed his hand into my bra and tweaked one of my already hard nipples while I

fumbled for his flies.

Terry stood up and helped me out, reaching inside his pants and pulling out his semi-stiff dick. I certainly wasn't disappointed as he pulled back the foreskin and his cock grew to its rigid fullness. He was about eight inches long and nice and thick, which is just how I like my prick so I didn't hesitate to push the tip of his purple knob between my lips, tickling the smooth skin with my tongue as I sucked him inside.

I cupped his balls as I slurped up and down the shaft of his cock, squeezing gently as I savoured the taste of his man meat. After a minute or two, I unclipped my bra with one hand and shuffled forward so my biggish tits rested either side of his prick. Terry obviously liked this and pushed forward, letting the soft flesh of my boobs stroke along his length as I continued to suck him. I pushed my tits together allowing Terry to actually fuck my cleavage, my saliva smearing over my breasts and acting as lubricant for his meat.

I desperately wanted him to screw me now, and pulled his dick from my mouth. I leant back in my chair and opened my legs, wriggling my split skirt up to my waist.

Seeing my naked pussy before him, Terry dropped to his knees, grabbed my thighs and stuffed his head between them. I gasped as his tongue thrust straight into my moist gash and I tweaked my tits to hasten a quickie climax. Pinching my nipples hard, I writhed beneath his probing tongue, and when he slipped a finger from my gaping cunt into the crack of my arse, I came, yelling out with pleasure.

As my crotch jerked wildly against his lapping tongue, he pushed the tip of his finger deep into my taut bumhole and it felt so good I decided there and then to forego a cunt full of cock and let him shag me straight away in the rear.

I've always liked anal sex, and when I'm really turned-on I actually prefer it to ordinary fucking, so as my orgasm subsided I stood and sat back down on the dining table chair, facing the back rest. It was pretty obvious what I was after, especially when I reached behind me and started fingering my arse. I pushed one finger all the way in using my cunt juice as lubricant and left it completely buried there for a few seconds so Terry could enjoy my display. I pulled it out and then rammed it back in, relishing the tightness of the tunnel I was finger-fucking.

Terry ran his hands over my buttocks as I performed for him but I needed something a lot bigger up there and I

needed it fast!

Luckily, Terry was ready to oblige and as I pulled my finger clear of my arsehole, I felt the bulbous head of his cock push between my butt cheeks and rest against my slippery anus. I helpfully spread my arsecheeks with my hands and waited for the moment of penetration. Terry pushed and my hole slowly stretched open to accommodate his rock hard muscle of love. Suddenly the knob was inside and my sphincter

***"The muscles up my arse contracted around his banging cock and he grunted"***

constricted around his shaft. He pushed harder and his thick cock slipped up me centimetre by centimetre as I tried to relax for him. It was bigger than I'd anticipated and for a moment I wondered if I'd be able to take his prick all the way up my bum. I needn't have worried though, as my slippery fanny fluid was doing the trick, and after a minute of gently pushing Terry's prick was embedded in my arse. The feeling of being well and truly stuffed is fantastic and I pushed my arse back down onto his stiff meat, reaching in between my legs for my clit as I did so. Terry grabbed me around the waist and started to fuck my arse, slowly at first and then faster and faster. I rubbed my cunt button,

as our bum screw became more of an anal pounding. I like it hard and Terry was certainly getting into his stride as he hammered his dick in and out of my aching butt.

After a couple of minutes of this arse pumping, and with the aid of my flicking fingers, I came again, the cunt juice pouring out of my slit onto the chair. As I came, the muscles up my arse pulsed around his banging cock and he grunted as he fired his load deep up my rear. I could feel every drop squirt from his tool and he held me tightly as his mess continued to splatter the walls of my back passage.

As his prick softened he slid out of me on a stream of gooey spunk, which dribbled onto my already stained chair, and I knew my gaping sperm-splattered arsehole was twitching its approval at his awesome butt fuck.

Later that night I finally got his lovely prick in my cunt too, but now that Terry knows I'm an anal slut he just can't leave my backdoor alone!

*Rachel, Hull.*

## **LUST GOOD FRIENDS**

I recently had such an unexpectedly horny experience that I felt I just had to share it with my fellow readers. I've been mates with Debbie since we were at school together. She was quite quiet and shy at school, but always really nice. We still live quite close to each other now we're in our 20s so usually meet up for a drink about once a week. A drink and a moan about our respective partners!

Last week, me and Debs were sitting in our local. I'd split up with my girlfriend a couple of months ago, but I hadn't heard her news...

"Me and Alex are finished."

"Shit, Debs, sorry to hear that. What happened?"

"He said I'm not enough for him in bed."

"What a prick!"

"I dunno. Maybe he's got a point. Maybe I am too boring in bed."

I suddenly realized that we'd never really talked about sex before. It didn't feel awkward though. As Debs talked I found I was looking at her body in a way I hadn't previously. Trying to map her curves through her tight T-shirt, and glancing down at those tanned, toned legs clad in a mini-skirt.

"You're a great laugh, I doubt you're a prude in bed," I said.

We both laughed.

"Right now I wouldn't complain about a man thinking I was dirty. A really dirty, horny, little bitch."

Shit. My cock twitched. Was I really getting turned-on talking to my mate?

"Frankly, the next time a guy bends me over and fucks me I'm going to think of Alex and think 'I wish you could see this you bastard!'"

Things were getting a little awkward... what had been a casual semi had now become a raging hard-on.

"Right!" said Debs, having drained her glass. "It's your round."

I sat frozen to my chair for a moment. Then I risked getting up. Maybe she wouldn't notice my erection, but I could feel her eyes on my groin as I stood up.

"Let's not get another drink here," she said. "I've got a couple of bottles of wine in the flat."

Now I knew a lot of things about Debs. I knew her favourite colour, her birthday, and the name of her first pet. What I hadn't known was that her snatch is shaven and tastes fantastic. I was lying between her legs on her bed, licking and slurping away at her lovely sweet cunt. I pulled my tongue out of her and moved my mouth up slightly to fasten around her clit, but made sure I replaced my tongue with two fingers.

I felt her hands gripping my hair. "Don't just finger it. I want you to fuck it. I want that big cock stuffed into my tight little cunt. I'm going to be the dirty little bitch that idiot thought I could never be."

I didn't need asking twice. Getting up, I rolled her onto her tummy, then she pushed herself up onto her knees. I lined up the tip of my cock with her soaking wet twat. My hands moved onto her curvy hips, and I thrust the full length of my shaft into her. She gasped as my cock filled her up.

"That's it! Fuck me like I'm your little slut!"

I was doing just that, pounding that tight snatch as her juices ran down my shaft. Debs looked amazing on her hands and knees. Her breasts swaying as I fucked her. I couldn't resist, and gave her gorgeous bum a spank.

"That's right, I'm a naughty, dirty, slut."

"You like it don't you? Getting fucked like a filthy bitch."

***"I looked own at her puckered hole and began to rub the tip of my cock against it"***

I pulled my cock out of her, and she manoeuvred round to suck on it. I held her hair as her head jerked back and forward, taking my full length. Then she drew her head back and spat on my cock. She turned round again, put her face down, and her ass up. She presented that lovely bum to me.

No way. She actually wanted me to fuck her arse! I didn't need any more invitation. I looked down at her tightly puckered hole and began to rub the tip of my cock against it. Just enough to tease at first... then she began to push back against me. I held her cheeks apart and pushed forward. Slowly, my helmet was absorbed into her ring. She was so tight I almost shot my load there and then but I managed to control myself.

I eased myself deeper inside her until eventually she'd taken my full length up her curvy backside. This was the horniest moment

of my life. I began to ease myself back out, then in again, then out again... and now I was fucking her. Really fucking her hard in the arse.

She was letting out little squeals and gasps but was certainly enjoying herself. Her hand reached up to tease her clit as I fucked her. I felt her body tense as she continued rubbing. Now she was panting and moaning. Her ring gripped me even harder as her body spasmed and she screamed. Again, it took all my self-control not to come. I had other plans for my spunk.

She lifted her head off the pillow and said; "That's it. That's it, you fucking bastard. You take that arse and do whatever you want to it!" I could feel my balls aching with jizz at this point. Just before I reached the point of no return I pulled my cock out of her and ordered her to turn round and face it.

"Open your mouth" I ordered.

She did as she was told as I tossed myself off into her willing mouth. She waited until I was completely drained, then swallowed down every drop of my hot sticky sperm.

"Mmm. I think I am pretty dirty... but I reckon practice will make perfect. Reckon you're a good enough friend to help me?"

"What else are friends for?" I replied.

And we've been practising ever since!

Mike, Nottingham. ♣

**FEEL THE FORCE!**

*Let Angel tempt you over to the Dark Side...*

**PHOTOS: STEPHEN HICKS**

**W**e're not altogether sure when we last featured the alluring Angel Dark in the pages of Club, but given the way she's looking right now, we've got to say the answer's got to be "Too long ago!". I mean for fuck's sake, look at her, will you! Oh, you already were? Fair enough. Those boobs are just about perfect, while her arse, pussy and (go on, call us old-fashioned) face are all straight out of the drawer marked "Items for the assemblage of the ultimate porn model".

Anyway, to make up for the fact we've probably seen less of Angel in recent times than we really ought to have done, we reckon she deserves the centrespread slot this month. And what a gorgeous looking slot it is... ♣

# DOUBLE IN PARADISE!

Two saucy lezzers making out in the sun? Oh, go on then!

PHOTOS: SAGE STYLE

**S**ometimes it can get very unsettling, having to up sticks every few weeks and jet off to sunnier climes to oversee shoots like this, in which a couple of world famous pornsters set to work on each other's pussies. You know, occasionally you just fancy chilling out at home, watching an episode of *The Bill* or something and rustling up something from the fridge for dinner, rather than lounging around in the sun supping cocktails while two of the world's most desirable women go at it hammer and tongs not six feet in front of you. And then there's the added worry that, once the shoot is over, one – or both – of the girls might want to carry on the fun long into the evening, and want to drag you in as well! Christ on a bike, it can all get a bit much at times, I can tell you. Then again, there have got to be worse ways to earn a crust – and all that duty-free comes in handy at Christmas... ♣
